Dear Ms. McMillon:

On Tuesday August 5th, the Tri-City Peoples Corporation board is planning to host a luncheon and dialogue between the Tri-City board and the various foundations that fund programs at Tri-City.

Julia R. Scott, the current Director of the Peoples Corporation will be resigning as of the end of July and it is important, especially during this interim period while we search for a new Director of the Peoples Corporation, that our funding sources be aware of the directions we are moving in and to know that our goals and commitments remain the same and that our program activities continue with the same intensity.

We also feel it will be important for the foundations to know the other board members involved in the Tri-City family so that they can get a sense of the unity of purpose that we continue to operate under.

Therefore, we would like to extend an invitation to you to participate in this dialogue and meal on Tuesday August 5th from 12 noon to 2 p.m. at the Peoples Center, 681 South 19th Street.

Please confirm your attendance by Monday July 21st, 1980 to Ms. Beatriz Cortez at 374-5252.

Sincerely,

Lillian Green
